

Having a touchscreen car stereo in your car

Why place a large-screen car stereo in your dash? Fantastic appearance are an excellent place to begin, however there's such a lot of you'll get from a double din car stereo. you'll see all the knowledge you wish at one look, creating it easier to stay your eyes on the road. You'll even have enlargement choices like navigation and a rear-view camera offered to you within the future.

Add a rear-view camera for safety

A rear-view or backup camera will facilitate build your double-sized stereo a valuable tool against accidents, as a result of you ne'er recognize what you'll see behind you – a pet, a velocipede rider, or perhaps legendary creature (he's extremely shy). Its wide field of read offers a full heap additional of what's behind you than exploitation your mirror, and you won't need to flip your head.

Nice huge touchscreen

With an oversized screen acting as your receiver's show, it is a lot easier to scan than the 2- or 3-line displays of typical automobile receivers. you will get pleasure from having the ability to scan additional data concerning what you are being attentive to. larger icons, split-screen capability, and additional screen land add up to a satisfying automobile audio expertise. you will be ready to keep your eyes on the road a full heap higher if you are not squinched at your show, or anticipating the data to scroll by. In fact, everything you are doing together with your receiver is simpler after you have an oversized, touchscreen interface. Here are some samples of however these receivers will build your drive a lot of easier. For example: [10.1 inch touchscreen car stereo](#)

Bluetooth®

usability

Bluetooth enables you to get pleasure from hands-free oral communication exploitation your compatible phone. You'll be ready to see caller data instantly with an enormous screen in your dash, therefore you'll keep your eyes on the road and your hands on the wheel. Some receivers additionally permit audio streaming from phones.

GPS navigation

Get a stronger map read than phones or most moveable navigators will deliver. And if your receiver doesn't feature intrinsical navigation, you may be ready to add steerage with Associate in Nursing outboard unit, or hook up with Associate in Nursing iPhone app like MotionX-GPS Drive that works over 3G signals.

User-friendly HD Radio™

HD Radio broadcasts sound nice, and a **double-din** receiver provides far more data than an everyday stereo. You'll see album art and station logos from choose broadcasters, plus song, creative person and album data. And you'll tag songs for later purchase from iTunes® right the radio.

Convenient stereo controls

One of the most blessings of any big-screen [car stereo](#) is that the easy rummaging the menus. whether or not you're searching for a song on your iPod, a favourite satellite station, or the equivalent weight settings, a big, colourful touchscreen makes finding functions intuitive and straightforward.

Dual-zone listening

If you are toting your family around, the "dual-zone" capability that some receivers supply enables you to separate the rear-seat diversion from the front. Your backseat passengers will hear their tunes or watch movies on a second monitor, whereas you hear the ballgame up front.
